About

Dr. Jack Hand Legacy Foundation

Dr. Jack Hand's legacy lives on through the Foundation, which supports families facing the challenges of pediatric cancer. From financial assistance for medical expenses to covering the costs of accommodations and travel for treatment, the Foundation ensures that families are supported at every step of their journey.

2024 marks a decade since the inception of the Dr. Jack Hand Legacy Foundation and we are honouring this momentous occasion by hosting the 10th Anniversary of "Jack's Night Out" this May. Since the passing of Dr. Jack Hand in 2012, a compassionate and dedicated medical professional who touched the lives of countless families facing pediatric cancer, we have always wanted to continue his work and honour his life.
